ENVIRONMENTAL YOUTH CORPS

The Path to Outdoor
Employment

SUMMER JOBS 2017

What is the Youth Corps?

Environmental Youth Corps is a work program for young adults to learn valuable job skills in construction, painting, landscape, environmental management, and maintenance.

This unique summer jobs program occurs over a multi-week time frame and includes training, education and supervision in the beautification and maintenance of Shoreline at Mountain View and other City facilities including Stevens Creek Trail, Permanente Creek Trail, and several parks.

About Shoreline at Mountain View

Shoreline at Mountain View is a 750-acre regional recreation and environmental area comprised of: an 18-hole golf course; a 50-acre saltwater sailing lake; two tidal marshes, and miles of paths for jogging, bicycling, or strolling. Youth Corps members work outdoors while helping to maintain this environmentally sensitive area.

Qualifications

- Current freshman, sophomore, or junior high school student 14-17 years old
- Able to lift 25 pounds or more
- Ability to use basic hand tools to complete manual labor
- Interest in outdoor and environmental work
- Must possess valid identification
- Ability to provide a valid work permit
- Consistent schedule with no vacation breaks during employment required
- Mountain View residents given priority for this City-funded program

Job Description

Youth Corps members work 20 to 25 hours per week in a team, outdoor environment to improve Shoreline at Mountain View, nearby Stevens Creek Trail and other City facilities.

Candidates must be physically fit and willing to extend physical effort to complete numerous projects and tasks. Youth Corps members must have a positive attitude and be willing to accept direction from supervisors in the field.

How to Apply

The Youth Corps has been funded and operated by the City of Mountain View since 1991. To obtain an application, please contact Shoreline at Mountain View at 650-903-6392.

Applications are due by:
Friday April, 7 2017

Applicants will be contacted by mid April. Interviews are tentatively scheduled for the most qualified applicants the week of April 17th.
